

Social Distancing & Crowd Control Floor Signs

Identification Solutions to Drive Public Health & Safety

A healthy public drives the American economy. Mark your retail or workplace location to encourage social distancing measures and more. A sign has never been more important.

Choose a material to suite your needs:

TexWalk® Floor Sign Material

0-6 MONTHS

Removable, rated non-slip, and removes cleanly with no damage to surfaces. Protected with Sign Muscle® coating for additional print protection. Ideal for retail locations and may be used on carpet.

Temp-Step™ Non-Slip Floor Signs

6-9 MONTHS

Temporary floor marking material for when a need likely does not exceed 6-9 months. Print is protected with anti-slip surface. Material is ideal for offices, light industrial and retail locations.

Walk-On™ Floor Sign Material

9+ MONTHS

Solution for high-impact messaging on indoor floors and walls, and outdoor use on smooth surfaces. Longer lasting adhesive with anti-skid surface. Ideal for workplace and industrial locations such as warehouses.

Walk-On Floor Signs
